Augmentation Well:

Preliminary studies for the drilling and installation of an augmentation well at the east end of Upper Straits Lakes have been completed. This project is delayed and will not be completed this year. This augmentation well, along with the dam, will help keep lake levels at the required amount. The cost of the augmentation well will be paid for by special tax assessments.

Condolences....

The Bayside Beach Board of Directors and officers extend their condolences to 2 of our association's families that experienced great loss:
-the family of Herb Wilson - Herb served as a board member and as party chairman for several years. Herb was often seen driving around the neighborhood his golf cart with his adorable pug.
-the family of Jeremy Maurer - Jeremy was a helpful beach member, always lending a hand. He was a notably dedicated family man.

Please keep these families in your thoughts.
