Work Hours and Assessment

Bayside Beach Association is in dire need of someone to take on the position of work assessment chairperson. If you are interested, email the board at board@baysidebeach.com.

After several years of diligent service as our association's work assessment chairman, Dean Hare has retired from the position. His work in this position was and is appreciated. Board member Diane Lawrence has volunteered to **temporarily** fill the work assessment position until association members volunteer to do the job more permanently (on a year-by-year basis).

Bayside Beach Association members must sign up for work hours on January 16 (general membership meeting), May 4 (opening day), by signing up on the website Google document, or by contacting Diane Lawrence.

To contact Diane, email her at dlawren2@yahoo.com or call her at 248.366.0700. She will be present at the January 16th general membership meeting and at the beach on opening day to assist members in signing up for service hours.

MEMBERS WHO DO NOT SIGN UP FOR WORK HOURS WILL NOT RECEIVE THEIR BEACH KEYS FOR THE YEAR!

Per the Bayside Beach Association rules regarding work assessment, "Each membership is responsible for a minimum of six (6) hours of service to Bayside Beach. Failure to comply will result in a financial assessment equal to one year's dues."
